JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

2. The dipping of any ice cream, nut ice cream, fruit ice cream, French ice cream, or flavored ices, or the manufacturing of ice balls upon any thoroughfare or public grounds of said city of Cincinnati, is hereby prohibited.

3. Any person violating any of the provisions of this regulation shall, upon conviction thereof, be punished as provided by law.

Offensive Trades—Regulation of. (Reg. Bd. of H., Sept. 8, 1915.)

PARAGRAPH 1. No person, firm, or corporation shall boil, heat, cook, steam, evaporate, dry, render, or reduce any dead animals, bones, fat, grease, feathers, blood, tankage, tankage water, hair, or other organic substances unless the process is carried on and conducted in modern steam-tight tanks equipped with suitable and efficient pumps and apparatus to condense, burn, and completely destroy the obnoxious odors created in said process, and unless the apparatus and mode of operation are approved by the board of health.

PAR. 2. Every person, firm, or corporation doing business with apparatus as provided in paragraph 1 of this regulation shall, in operating the same, use sufficient water, heat, etc., so as to prevent at all times nuisance and obnoxious odors.

PAR. 3. All buildings where such business is carried on shall be provided with cement floors, adequate and suitable drainage, and the tanks, floors, walls, etc., shall be kept clean and sanitary. Receptacles used in the collection and delivery of the raw materials must be of metal construction and kept covered while in use, and must be thoroughly washed out after emptying. Fly traps must be provided during the warm months and means must be employed to prevent the breeding of flies upon the premises.

PAR. 4. Any violation of the above regulation shall be punished as provided by law.

PAR. 5. This regulation shall take effect and be in force from and after the earliest period allowed by law.

PAR. 6. Regulations Nos. 25, 26, and 27 of this board as revised and adopted June 5, 1912, are hereby repealed.

JACKSON, MICH.

Communicable Diseases—Notification of Cases—Quarantine. (Ord. June 1, 1915.)

SEC. 8. The keeper of any hotel, boarding house, or other public house, or the owner or occupant of any private house, or a teacher in any school in which any person may be sick with any communicable disease shall report the same to the health officer if there be no attending physician. The physician who shall have a patient afflicted with any such disease shall forthwith report the same to the health officer. The keeper, owner, or occupant of any such public house or private residence shall keep it closed against all persons desiring to visit the same, and shall prevent the occupants of said public house or private residence from leaving said premises until such time, as in the opinion of the health officer, all danger of communicating the disease from said house or residence or from any of the inmates thereof shall have passed: *Provided*, That physicians or clergymen in attendance upon such sick person or persons may go to and fro on taking such precautions as may be required by the health officer or by law.

* * * * *

SEC. 10. No person shall bring or cause to be brought into the city of Jackson any person infected with a communicable disease.

Foodstuffs—Protection and Sale—Slaughterhouses. (Ord. Sept. 27, 1915.)

SECTION 1. Foodstuffs, for the purposes of this ordinance, shall mean all articles of food or diet, including meat, fish, fowls, vegetables, fruit, berries, bread, baked goods, butter, condiments, and confections, whether offered for sale in their natural
